

Product Highlights:

- Fast-track your workflow with transfer speeds up to 75% faster than UHS-I cards²
- Transfer massive amounts of high-res images with read speeds up to 280MB/s¹
- The V60 rating guarantees that the card can capture extended lengths of Full-HD and 4K UHD video with no dropped frames
- Quickly capture high-quality images with write speeds up to 180MB/s¹
- Ideal for UHS-II portable gaming devices
- Enjoy peace of mind with a 10-year limited warranty

Capacities:

microSDXC™
128GB
256GB

MicroSDXC II
V60 4K UHD A1

Pro-level performance in a microSD card

The Lexar® Professional GOLD microSDXC™ UHS-II Card is the perfect high-performance card for capturing drone and action camera footage and is also great for UHS-II portable gaming devices. Read speeds up to 280MB/s allow you to quickly transfer massive amounts of files and load games fast while write speeds up to 180MB/s and a V60 rating let you capture high-quality images and extended lengths of Full-HD and 4K UHD video without dropping frames.¹

Powerful Performance for Your Devices. The Lexar® Professional GOLD microSDXC™ UHS-II Card is ideal for drone and action camera users that need to capture and quickly transfer massive quantities of files.

Built for Speed. Blazing-fast read speeds up to 280MB/s let you expedite your workflow and transfer files in a flash—up to 75% faster than with a UHS-I card.² Pair with a UHS-II reader for maximum performance.

Picture-worthy Performance. With write speeds up to 180MB/s and a V60 rating, the Lexar® Professional GOLD microSDXC™ UHS-II Card is perfect for capturing high-quality images and Full-HD and 4K UHD video without dropping frames.¹

Make the Most of Your UHS-II Portable Gaming Devices. The Lexar® Professional GOLD microSDXC™ UHS-II Card lets you take advantage of your device's UHS-II performance.

10-year Limited Warranty. Enjoy peace of mind knowing that your purchase is backed by one of the most robust warranties in the industry.

Rigorously Tested. All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

For more than 27 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives, and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.
