Reliable Storage with High-Capacity Options

The affordable, high-performance Lexar® JumpDrive V100 USB 3.0 Flash Drive allows you to quickly and easily store and transfer your favorite photos, videos, and files on the go. The drive has a protective cap design to help safely protect the drive and its contents, and includes a lanyard loop for convenient connection to your keychain or backpack. Available in capacity options from 32GB-128GB, this drive is also backwards compatible with USB 2.0 devices. Two-year limited warranty.

Quickly store and share your content. With so much to do during your busy day, transferring your content should be the least of your worries. The Lexar JumpDrive V100 leverages USB 3.0 technology for fast file transfer so you can get back to your work in a flash. And for added versatility, the drive is backwards compatible with USB 2.0 devices.

Store and transfer content at USB 3.0 speeds. With a busy life on the go and so much to do, the last thing you want is to spend extra time waiting for your files to transfer. Lexar® JumpDrive® V100 USB 3.0 Flash Drive offers a read transfer speed up to 100MB/s¹. And for added versatility, the drive is backwards compatible with USB 2.0 devices.

Protection on-the-go. The drive comes with a protective cap design to keep your data safe from the elements. It also features a convenient lanyard loop, so wherever you go, your information goes with you.

Delivers for both PC and Mac®. Compatible with both PC and Mac® systems, the JumpDrive V100 USB 3.0 Flash Drive allows you to quickly and easily store a huge number of photo, music, and video files.

Store it all with a wide range of capacities. Available in 32/64/128GB—it's easy to store more of your data in one place.

Rigorously tested.

All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

¹Up to 100MB/s read transfer, write speeds lower. Speeds based on internal testing. Actual performance may vary.

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes.

Lexar is not liable for any loss of data or images.

Product appearance, performance, software offerings, and packaging may vary depending on ship date and available inventory.
