- Transfer speeds of up to 312MB/s for SD™ and microSD™ UHS-II cards, and up to 160MB/s for CompactFlash® cards
- Extremely versatile multi-card reader with speedy file transfers
- Backwards compatible with SD™ and microSD™ UHS-I cards (up to 170MB/s)¹
- Compatible with USB 3.1 and 2.0 ports
- Includes a USB Type-C to USB Type-A cable
- Two-year limited warranty

Improve your workflow with high-speed file transfer

The Lexar Professional Multi-Card 3-in-1 USB 3.1 Reader is a convenient way to quickly transfer files between multiple cards and your computer. Leveraging USB 3.1 technology to deliver high-speed file transfers of up to 312MB/s for SD™/microSD™, and up to 160MB/s for CompactFlash® cards, significantly improving your workflow. This allows you to maximize the speed and bandwidth of USB 3.0 desktop and laptop computers, and supports CompactFlash® (including UDMA 7), SD™, SDHC™, SDXC™, and SD UHS-I and UHS-II memory cards. This makes the reader an excellent choice for photo and video professionals looking to significantly improve workflow.

Supports your favorite card formats. The Lexar Professional Multi-Card 3-in-1 USB 3.1 Reader supports the latest high-speed SD™, microSD™, and CompactFlash® formats (including UDMA 7). It's also backwards compatible with SD UHS-I cards, as well as USB 2.0.

Maximize your workflow with faster transfer speeds. The Lexar Professional Multi-Card 3-in-1 USB 3.1 Reader offers transfer speeds of up to 312MB/s (up to 5x faster than USB 2.0)¹ for SD™, microSD™, and CompactFlash® cards (up to 160MB/s)¹. It's also backwards compatible with UHS-I (up to 170MB/s)¹ so you can significantly improve your workflow and maximize your bandwidth.

Extremely versatile. Without the need for an additional power source, the Multi-Card 3-in-1 reader is highly versatile, allowing you the convenience of transferring your files quickly from your home work station or on the go.

Compatible with USB 3.1 and 2.0 ports. Designed with a USB 3.1 interface the Lexar 3-in-1 card reader works well with USB 2.0 ports.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores.
