Access your files anytime, anywhere

The Lexar® Dual-Slot USB-A/C Reader quickly transfers files between your PC and USB-C devices with ease. Featuring both an SD™ and microSD™ card slot with transfer speed up to 170 MB/s¹, save time when accessing your photos and videos on-the-go.

Quickly transfer your files on-the-go. The Lexar® Dual-Slot USB-A/C Reader provides quick transfer speed up to 170MB/s¹, allowing you to easily access and transfer your files when you need them most.

Easily transfer files between your PC and USB-C devices. Featuring both a USB Type-A and Type-C connectors, connecting to your laptop, tablet or phone has never been easier to transfer files wherever you go.

Simultaneously transfer files with SD™ and microSD™ slots. Featuring a dual card slot design, the Lexar Dual-Slot USB-A/C Reader works with SD™ and microSD™ formats allowing you to easily transfer projects simultaneously.

Stylish and portable design. The Lexar® Dual-Slot USB-A/C Reader features a compact and portable design that easily fits in any pocket or bag. And for added portability, the reader sports a key chain loop to attach to any backpack or key ring.

Rigorously tested. All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

For more than 25 years, Lexar has been a trusted leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores.
