SUREFIRE

## TEAMWORK

Communicate with your teammates through the omnidirectional and fully flexible microphone. It picks up your voice with excellent clarity so you can work together and progress with your team. No miscommunication errors!

## STEALTH MODE

Want to turn it up or go radio silent? Quickly adjust the volume or mute the microphone on the left ear cup without reaching for your laptop.

## BLEND IN, STAND OUT

The SureFire Skirmish Gaming Headset is universally compatible so you can play games, listen to music and enjoy amazing sound on any platform – whether it is a games console, PC or laptop. The military-inspired print and LED illuminated sides and microphone light up your gaming experience.

## EVERY FOOTSTEP

SureFire Skirmish Gaming Headset features 50mm headphone drivers, HEAR ensuring that your game audio will sound like the real thing, in high quality stereo 2.0. And being lightweight and durable, you'll whiz through long gaming sessions thanks to the super comfy foam ear cups.
