

COLOUR MULTI-FUNCTION PRINTERS FOR DEMANDING BUSINESSES

i-SENSYS MF740 Series
Optimised for small and medium businesses, this multi-function printer range takes productivity to the next level

Productivity

Businesses have so many things to focus on that hanging around waiting for their printers to perform shouldn't be one of them. Canon's i-SENSYS MF740 Series more than meets the requirements of even the most demanding businesses by taking productivity to the highest levels. They can deliver up to 27 printed A4 pages per minute and 47 scans per minute, thanks to simultaneous scanning of both sides in a single pass (MF746Cx and MF744Cdw). All models also have automatic double-sided printing to reduce the amount of paper used.

Customisation

The Application Library further increases efficiency by automating and speeding up everyday tasks. Printing stored forms, scanning to email and copying documents can be undertaken with a single tap. Five new application functions have been added to this series to further boost productivity.

CONTROL
Universal Login Manager

FAST PRINT SPEED
27ppm single sided A4

Touch Panel

INTUITIVE CONTROLS
12.7cm touchscreen

APPLICATION LIBRARY
customisable on screen application

SECURITY
PIN document release

PRODUCTIVITY
Automatic double-sided printing

Control

The Universal Login Manager on the MF746Cx enables business owners to track exactly who is printing what and when, potentially saving money by reducing unnecessary output. You can also control access and protect sensitive documents with secure PIN print.

Mobile connectivity

Business owners and staff are always on the move. That's why the Canon i-SENSYS MF740 Series is packed with a versatile range of mobile connection options. The Canon PRINT Business app enables users to print wirelessly from smartphones and tablets (iOS and Android). Compatibility with Apple AirPrint and Mopria for Android means fast access without the user having to download any additional apps.

OPTIONAL ACCESSORIES

Cassette Feeding Module-AF1

- Additional 550 sheet paper cassette, 1unit can be added to main unit.

Barcode Print Kit- E1E (Available on MF746Cx)

- Installs bar code fonts for bar code printing. This kit, which is delivered electronically, includes a license access certificate for activation.

Send PDF Security Feature Set-E1 (Available on MF746Cx)

- Send encrypted PDF and add digital device signature to PDF files. This kit, which is delivered electronically, includes a license access certificate for activation.

Telephone 6 Kit (Available on MF744Cdw and MF746Cx)

- Optional telephone handset for fax function.

TECHNICAL SPECIFICATIONS

Machine type	Colour Laser All-in-One
Available functions	MF742Cdw: Print, Copy and Scan MF744Cdw/MF746Cx: Print, Copy, Scan and Fax
PRINTER	
Print speed	Single sided : Up to 27 ppm (A4), Up to 49 ppm (A5-Landscape) Double sided : Up to 24.5 ipm (A4) Colour laser beam printing 600 x 600 dpi Up to 1200 x 1200 dpi
Printing method	Approx. 13 seconds or less from power on Colour approx.: 8.6 seconds or less Mono approx.: 7.7 seconds or less
Print resolution	MF742Cdw: UFRIL PCL 5c, PCL6 MF744Cdw/MF746Cx: UFRIL PCL 5c, PCL6, Adobe® PostScript
