

# Travel Wall Charger 35W Dual output (PD + USB)

## Charge your iPhone and your Laptop together JB01807-BWW

Dual output wall charger with separate 35W USB-C PD and 18W USB-A fast charging ports. Compact size perfect for traveling.

35W PD fast charging for Apple iPhone 8 and later, iPad Air, iPad Pro or MacBook Air 13"/MacBook Air 15". Compact and portable wall adapter ideal for home, office or on the go to keep all your devices powered.

- Charges MacBook/MacBook Air 13"/MacBook Air 15"
- Charges MacBook Pro 13" or MacBook 15" at 35W (note that higher powered chargers will charge faster).
